Access & Equity

CMNL Academy adheres to principles of access and equity as outlined in The Disability Standards for Education 2005 to determine the support needs of students and provide access to educational and support services as necessary. We do not discriminate against any individual based on race, colour, gender, or religion.

All students are treated equally. Our trainers will assist and support students where appropriate, especially students with language, literacy, or physical disabilities if this does not prevent them from meeting the pre-requisite or assessment conditions.

In the case that a potential student is unable to meet the conditions, we will endeavor to assist you in understanding the options regarding meeting the standards as outlined on the national register www.training.gov.au

Reasonable adjustments may be applied if this does not cause unjustifiable hardship to the RTO. If support of a student attracts additional costs this may be at the expense of the student.

Student selection and enrolment

To enrol in any course please complete the online pre-enrolment form. Alternatively, you can request a pre-enrolment form via email info@cmnlacademy.com.au or visit club reception to collect. You must pay the enrolment fee prior the course commencement for your application to be processed.

Students under 18 years of age may enrol with CMNL Academy for training. In some cases, our courses cannot be delivered to persons under the age of eighteen (18) years of age due to specific industry age restrictions or site requirements. Please ensure you have spoken with one of our staff members prior to enrolling.

Students who have enrolled in a qualification will be notified of acceptance by email or mail from CMNL Academy.

Criteria are applied prior to the acceptance of a student by CMNL Academy. Criteria includes:

- your ability to complete the qualification,
- your previous training and education,

- relevant work/life experience (paid or unpaid, full time, part-time, casual, or voluntary); and
- identified program prerequisites/priorities.

Information supplied on your enrolment form will be available to CMNL Academy so this can be submitted to the National Centre for Vocational Education and Research (NCVER). We are required by law (under *the National Vocational Education and Training Regulator Act 2011* (NVETR Act)) to disclose the personal information we collect about you to the National VET Data Collection kept by the National Centre for Vocational Education Research Ltd (NCVER).

The NCVER is responsible for collecting, managing, analysing, and communicating research and statistics about the Australian VET sector.

We are also authorised by law (under the NVETR Act) to disclose your personal information to the relevant state or territory training authority.

For more information about how the NCVER will handle your personal information please refer to the NCVER's Privacy Policy at www.ncver.edu.au/privacy

Unique Student Identification number (USI)

Since 1 January 2015, if you are undertaking Nationally Recognised Training delivered by an RTO you will need to have a USI. Your USI is your education number for life. Your USI account will contain all your Nationally Recognised Training records and results from 1 January 2015 onwards. One of the main benefits of the USI is that you will have easy access to your training records and results throughout your life.

CMNL Academy cannot issue you with any nationally recognised VET qualification or statement of attainment without your USI. To create or look up your USI number. Please visit: [For students | Unique Student Identifier \(usi.gov.au\)](http://For students | Unique Student Identifier (usi.gov.au))

IMPORTANT: The USI will be linked to your name, as it appears on the form of ID you use, to create the USI. The personal details entered must match exactly, with those on your form of ID

Language, Literacy & Numeracy

Where a pre-requisite for training requires a particular level of language, literacy and/or numeric skills, an assessment will be undertaken. This initial assessment is designated to be a non-threatening experience and will be conducted by your trainer as part of your induction.

The assessment will help to identify where additional training and support resources may be needed to help you.

Training & Assessment

We are accredited by the Australian Skills Quality Authority to deliver Nationally Recognised Training. Upon request, we can also deliver non-accredited, fee for service short courses and workshops, specialised for individuals and organisations.

Training

All Nationally accredited training is based on the principles of competency-based training. Training can be customised to suit individual or organisational needs. You or your staff may be eligible for Government subsidised training for Apprenticeship and Traineeship Programs, or on a Fee for Service basis. Duration of training is determined on application and must meet the requirements for each training product.

Assessment

Completion of assessment tasks is a fundamental part of competency-based assessment. We use a range of methods to gather evidence to ensure we meet the rules of evidence. We must ensure evidence is valid, sufficient, authentic, and current.

Both formative & summative assessments are used to allow the assessor to determine a competent outcome.

If a student is deemed as 'Not yet Satisfactory' in any unit, they will be provided with further attempts to demonstrate a 'Satisfactory' outcome. Please note that students cannot be deemed 'Competent' until that have achieved a satisfactory outcome in all units.

This should be within one month of the initial assessment. Timing and location of the re-assessment attempt must be negotiated with your trainer.

The trainer should provide the student with relevant feedback on the areas that need further work prior to re-attempting your assessment. If you do not agree with the decision, you have 10 working days from the date of the assessment has been made to appeal.

If you are assessed as not competent (NYC) for a unit of competency, a free re-assessment will be offered. If you are assessed as NYC again, a re-assessment fee will be applied. If you are assessed as NYC for the third time, you will be required to pay the full unit of competency fee to attend the full course again.

Recognition of Prior Learning (RPL)

RPL is a process that assesses your existing level of competency within a vocational area. Applying for RPL may reduce the amount of time you need to study; however, it may incur an extra fee.

This process enables you to be recognised for skills you already have so that you can focus on building new skills and not repeating old ones.

These skills may have been acquired through formal learning that has taken place through a structured program of learning delivered by a registered education provider or informal learning that was gained through work, social, family, hobby or leisure activities and experiences.

Currency relates to the applicant's ability to demonstrate current industry skills, knowledge and understanding, so the evidence provided should be from either the present or the very recent past (i.e., within the last 5 years).

Credit Transfer (CT)

Credit transfer is NOT the same as RPL. Credit transfer recognises previous Nationally Accredited Training. CT requires verification by means of a transcript showing successful completion issued by a Registered Training Organisation (RTO). The transcript must show the units of competency and results achieved or alternatively these can be provided via your USI records.

CMNL Academy will recognise Qualifications and/or Statements of Attainment issued by all other Registered Training Organisation (RTO). CMNL Academy may contact the issuing RTO to confirm the authenticity of the qualification. There is no charge for this service.

Applicants must contact CMNL administration team to discuss Credit Transfer or RPL

nb: additional fees will apply for RPL

Access & Equity in Assessments

All reasonable steps will be taken to ensure you will be given a fair opportunity to undertake the assessment.

If there are any aspects of the assessment that are unclear, and you are not certain about, you should speak to the trainer/assessor; and

Should you require a reasonable adjustment of the assessment due to a physical impairment you should discuss this with the trainer/assessor immediately.

Assessment Records & Certification

All assessment results are stored in accordance with the Standards for RTO's 2015.

All students have a right to view their own records and may do so upon request to CMNL Academy administration team. Access to a file by a third party other than the student can only be provided with the written consent of the student.

If students have met all required obligations CMNL Academy will issue and provide an AQF qualification or a Statement of Attainment (SOA) to the individual student or their nominated representative within 30 calendar days of a student's course completion.

If the student has an outstanding financial account, CMNL Academy will not issue a qualification or statement of attainment unless the outstanding amount is paid.

If a student does not make a full payment within 20 working days from the notification date, CMNL Academy will terminate your enrolment without issuing a qualification or statement of attainment.

In an event that your certificate is lost, stolen or damaged, you can request to get a replacement of that certificate. You will need to contact info@cmnlacademy.com.au

CMNL Academy will:

- Provide a replacement certificate to any current or former student who has their certificate lost, stolen or damaged
- Request applications in writing for a replacement certificate
- A fee of \$30 for replacement certificates may apply

Feedback/ Surveys

As CMNL Academy has the prime responsibility for monitoring the training, undertaking the assessment, and issuing the qualification it is extremely useful to receive feedback. An evaluation feedback form may be forwarded to you at the end of your training.

You may receive a student survey which may be run by a government department or an NCVET employee, agent, third-party contractor, or another authorised agency. Please note you may opt out of the survey at the time of being contacted.
